

## **FS REG LEGAL INTERNSHIP PROGRAMME 2018/2019**

FS REG ([www.fsreg.com](http://www.fsreg.com)) is a consulting firm based in London that provides legal and regulatory advice on corporate, investment funds and financial services matters.

As part of the FS REG Legal Internship Programme 2018/2019, applications are welcome from law students and graduates who wish to gain experience in advising on the laws and regulations of the United Kingdom.

The main features of the internship are:

- Duration: 3 months (with the possibility of an extension).
- Full time or Part time.
- Remuneration: £500+ per month (depending on experience and time commitment).

The ideal candidate would meet the following criteria:

- Degree in law, LPC or LLM from a leading university in the United Kingdom.
- A genuine interest in learning the laws and regulations of the United Kingdom concerning the financial services sector (in particular private equity and venture capital).
- A genuine interest in publishing articles on topics concerning personal finance and the financial services sector.
- Able to commit for a minimum period of three months.
- Excellent written and spoken English. Knowledge of an additional language (e.g. Italian) would be an advantage but is not required.

If you wish to be considered for the above position, please send your CV and a covering email to [careers@fsreg.com](mailto:careers@fsreg.com). Please write "FS REG INTERNSHIP PROGRAMME 2018/2019" in the subject line.
